

SENATE SUMMARY OF HOUSE AMENDMENTS

SB 67 By Senator McPherson

**KEYWORD AND SUMMARY AS RETURNED TO THE SENATE**

ELECTED OFFICIALS. Constitutional amendment to provide that any statutory increase in the salary of certain elected officials may not become effective until a subsequent term of office or a later date. (2/3-CA13s1(A))

**SUMMARY OF HOUSE AMENDMENTS TO THE SENATE BILL**

- 1. Relative to legislators and statewide elected officials, removes reference to increase in salary "provided by law" and specifies that a salary increase for members of the legislature and for statewide elected officials shall not become effective until the commencement of the subsequent term of office "following the adoption or enactment of the increase."
- 2. Changes the time of when a salary increase will become effective. Provides that a salary increase for the public service commission shall not become effective for a member of the commission until the commencement of the term of office for the member following the enactment of the increase rather than the increase not becoming effective for any member until the commencement of the subsequent term of office for each commissioner following the enactment of the increase.
- 3. Makes technical changes.
